		Hi, my name is Stein Bagger, I wonder if you can help me verify what year I graduated?	
			Sure, which faculty or university did you graduate from? cause due to last 10 years of university mergers, we represent quite many universities. I also need your Student ID and Social Security Number as we are not allowed to give out any information without that.
		Okay, I graduated from San Francisco Technical University. My Student ID number is T375-WA. I do not have at social security number, as I am not an American citizen. But I have my UIN Number, which is 01-20 1967 DK185, would that do?

Vicky Langer en kreativ kunstner _- og så stammer hun fra USA. Hun var derfor det perfekte valg for Stein Bagger, da han den 26. oktober havde brug for en amerikansk stemme i telefonen.

Stein Bagger havde brug for en stemme, der kunne overbevise journalisten Dorte Toft tre dage senere på et møde med Stein Bagger og hans kommunikationsmand Erik Ove hos IT_Factory. Hun havde sat spørgsmålstegn ved Stein Bagers flotte akademiske diplomer _- blandt andet fra San Francisco Technical University.

Fem dage senere _- den 3. november _- skriver Stein Bagger i et indlæg på Dorte Tofts blog om hendes besøg hos IT Factory den 29. oktober:

"Dorte Toft fik forevist eksamensbevis, diplom og tilbud om at ringe op til universitet i USA, som hun på mødet takkede nej til."

Da Dorte Toft havde forladt IT Factory gennemførte Stein Bagger alligevel opkaldet _- ikke til San Francisco, men til Vicky Lang på Frederiksberg.

Et opkald, der var sirligt forberedt i telefon og mail tre dage før. Et opkald, der skulle lyde som om Stein Bagger fik bekræftet sin ph.d._grad fra San Franciscos tekniske universitet.

Hvem der har hørt samtalen mellem Vicki Lang og Stein Bagger, vides ikke. Det var ikke Dorte Toft, men meget tyder på, at en anden skulle overbevises.

Stein Bagger ringede nemlig to gange til Vicki Lang den 29. oktober. Først for at sige, at han ville ringe om lidt _- og så få minutter senere, hvor hun ikke måtte lyde som om hun kendte ham.
